An aerial night-time photograph of a modern, multi-story building. The building features a prominent sky deck on its upper levels, which is illuminated and contains a green lawn, a small pool, and lounge furniture. The building's facade is lit up, and the surrounding area is dark, with some city lights visible in the background. The text "Sky Deck" is overlaid in the bottom left corner.

The image shows a modern interior space divided into two distinct areas. On the left, a Hindu shrine (Mandir) is set up on a wooden platform. It features a large, ornate statue of Lord Ganesha, adorned with a red cloth and gold jewelry, seated against a wall with a large, intricate white relief carving of a tree. Two round pendant lights hang above the shrine. To the right of the shrine is a contemporary lounge area with two orange leather armchairs, a wooden coffee table, and a large abstract artwork on the wall. The floor is made of polished stone tiles, and the overall design blends traditional Indian religious elements with modern aesthetics.
