

SAAN
VERDANTÉ

“

In a place where bliss awakes each day,
Amidst chirping birds, in the morning's sway.

Families on terraces, planning for fun,
With evening tea, the day's journey is done.

Children on swings, with joy that clings,
As if they've found their own set of wings.

Life here, an enchanted, dreamy scene,
At Saan Verdante, where serenity convenes.
