

experience expansive mountains, nature, clean air and greenery at your very own home at Hill Top, giving a whole new dimension to luxury living. With this one-of-a-kind project, at Hill Top space abounds everywhere, and the super sized rooms with well appointed windows provide uninterrupted views of the spectacular Aravalli range. From independent villas & plots, to premium residential housing for the social ones and independent floors for those who value their privacy over anything else, we have something for all. Living at Hill Top, has its own share of amenities. A lifestyle that resembles a resort, retail & commercial establishments, security of a gated community and the camaraderie of the like-minded. Welcome to your new life!

Significant living requires magnificent gestures. The clubhouse at Hill town stands as a testament to this statement, offering both the sports enthusiasts and the leisure seekers the avenues to pursue their interests with equal passion. With a focus to provide you with a green and serene environment, everything here is imbued with a green approach ensuring a well balanced lifestyle for you and your family. Mini theatre, cafeterias, library cum reading lounge, swimming pool with a separate kids pool & a world class, well-equipped gymnasium are just a few things that will keep you engrossed and at the same time, in the pink of health. Thereby keeping to our promise of a life replete with fun and bliss.

ABOUT US

Sperquent Ltd. – one of India's leading real estate developers came into inception close to 25 years ago. The company has been instrumental in redefining home buying for any customer around the country. With more than 60,000 satisfied customers & more than 20,000 residences delivered, the company is scaling new heights each day with more than 36 ongoing projects in different locations around the country.

With such scale and size comes an opportunity to redefine oneself each day. Global partners like Armani Casa, Yoo Studios – UK, Disney & Aulani are but a few of the coveted names in the list that the company boasts of today. Like the pre-cast technology setup, the company is focused on diversifying while also supporting various causes like **Kaksha** – an education initiative for the under-privileged.
